## TERMS OF USE

### 1. ACCEPTANCE OF TERMS

Information on Recyclestuff.org is provided by multiple sources, and may change at any time, without our knowledge. This includes changes in services, webpage addresses, phone numbers, and general company information. Due to the nature of changing information, Recyclestuff.org does not guarantee accuracy of collected information, and therefore users acknowledge and agree that they assume full risk while using the data and information provided on recyclestuff.org. Recyclestuff.org is not responsible for results when using this service.

### 2. MODIFICATIONS TO THIS AGREEMENT

Recyclestuff.org may change the terms of use at any time, so it is best to check back often to understand current Terms of Use. Questions or comments regarding further Terms of Use information may be sent to us at [info@Recyclestuff.org](mailto:info@Recyclestuff.org).

### 3. CONTENT and USE

Information contained on recyclestuff.org is for personal use and may not be traded or sold in any way. Information is collected to provide a public service to companies and the public. Recyclestuff.org content, data, photos, logos, web layouts, and graphics may not be collected, used, sold or reproduced or traded without written permission from the Director.

### 4. USERS

Users of Recyclestuff.org provide personal information to supply them with the best possible answer to their question. This information will never be given, sold, or traded to solicitors or companies. The information provided will only be used to calculate demographic usage of all Recyclestuff.org programs. Recyclestuff.org is committed to security and personal comfort when using our service. If requested, all personal information will be removed from the database.

Visitors to recyclestuff.org provide automatic information that is collected for web traffic use only. This includes the Internet Protocol (IP) address, date

of use, time of use, and page movement within recyclestuff.org.

## 5. COMPANIES

The Center for the Development of Recycling (CDR) takes privacy seriously. We compile our data on recyclestuff.org to provide the public with an up to date portal for information regarding reuse, recycling, and waste management in the county of Santa Clara. At no time will CDR sell or trade personal information to solicitors or companies. Companies are not obligated to be listed, and may request removal at any time.
